CENTRAL VALLEY REGION**

**NOTICE OF PUBLIC HEARING**

Concerning

**RESCISSION OF WASTE DISCHARGE REQUIREMENTS**

**ORDER 94-195**

**FOR**

**BELL CARTER OLIVE COMPANY, INC.**

**PLANT 2**

**TEHAMA COUNTY**

Bell Carter Olive Company Inc. (Discharger) Plant 2's (Facility) retort water disposal system, located in Tehama County, discharges wastewater in accordance with Waste Discharge Requirements (WDR) Order 94-195, adopted by the Central Valley Regional Water Quality Control Board (Central Valley Water Board) on 24 June 1994.

The Central Valley Water Board adopted Resolution R5-2018-0085 for Waiver of Reports of Waste Discharge Requirements for Specific Types of Discharge Within the Central Valley Region for low threat discharges to land. Because the Facility falls into Category 1 of facilities that may be covered by Resolution R5-2018-0085, Central Valley Water Board staff requested the Discharger submit a Report of Waste Discharge (ROWD). The Discharger informed Central Valley Water Board staff that no significant changes were made to the nature of the wastewater or disposal system since the adoption of WDR Order 94-195.

On 5 March 2019, the Central Valley Water Board issued a Notice of Applicability to the Discharger, to enroll them in Resolution 2018-0085; therefore, WDR Order 94-195 is no longer required.

The Central Valley Water Board will consider rescinding WDR Order 94-195. A public hearing to address this matter will be held during the Central Valley Water Board meeting which is scheduled for:
